

PEERLESS®

G100 BINDER CHAIN ASSEMBLIES

GRADE 100 BINDER CHAIN FEATURES:

- 100% Made in USA!
- 33% greater securement capacity over Grade 70 chain
- Increased resistance to abrasion wear and fatigue
- Improved ergonomics by securing loads using smaller diameter chain for equivalent load weights
- Reduce the number of tie-downs to secure the load depending on weight and load length
 - *Must comply with FMCSA/CSA minimum tie-down requirements*
- Stocked in multiple sizes and packaging configurations
